MK ESSENTIALS
I-SERIES

MK by Honeywell

DESIGNED FOR VALUE
CERTIFIED FOR HIGHER STANDARDS

INTRODUCING
MK ESSENTIALS I-SERIES,
THE BEST CHOICE OF WIRING DEVICES, WHERE QUALITY COUNTS

The MK Essentials I-Series is a new Italian standard wiring devices range which complies with the IEC Standard and it was created to meet the fundamental needs for high quality and reliable switches and sockets from a trusted manufacturer, at prices that are impossible to ignore.
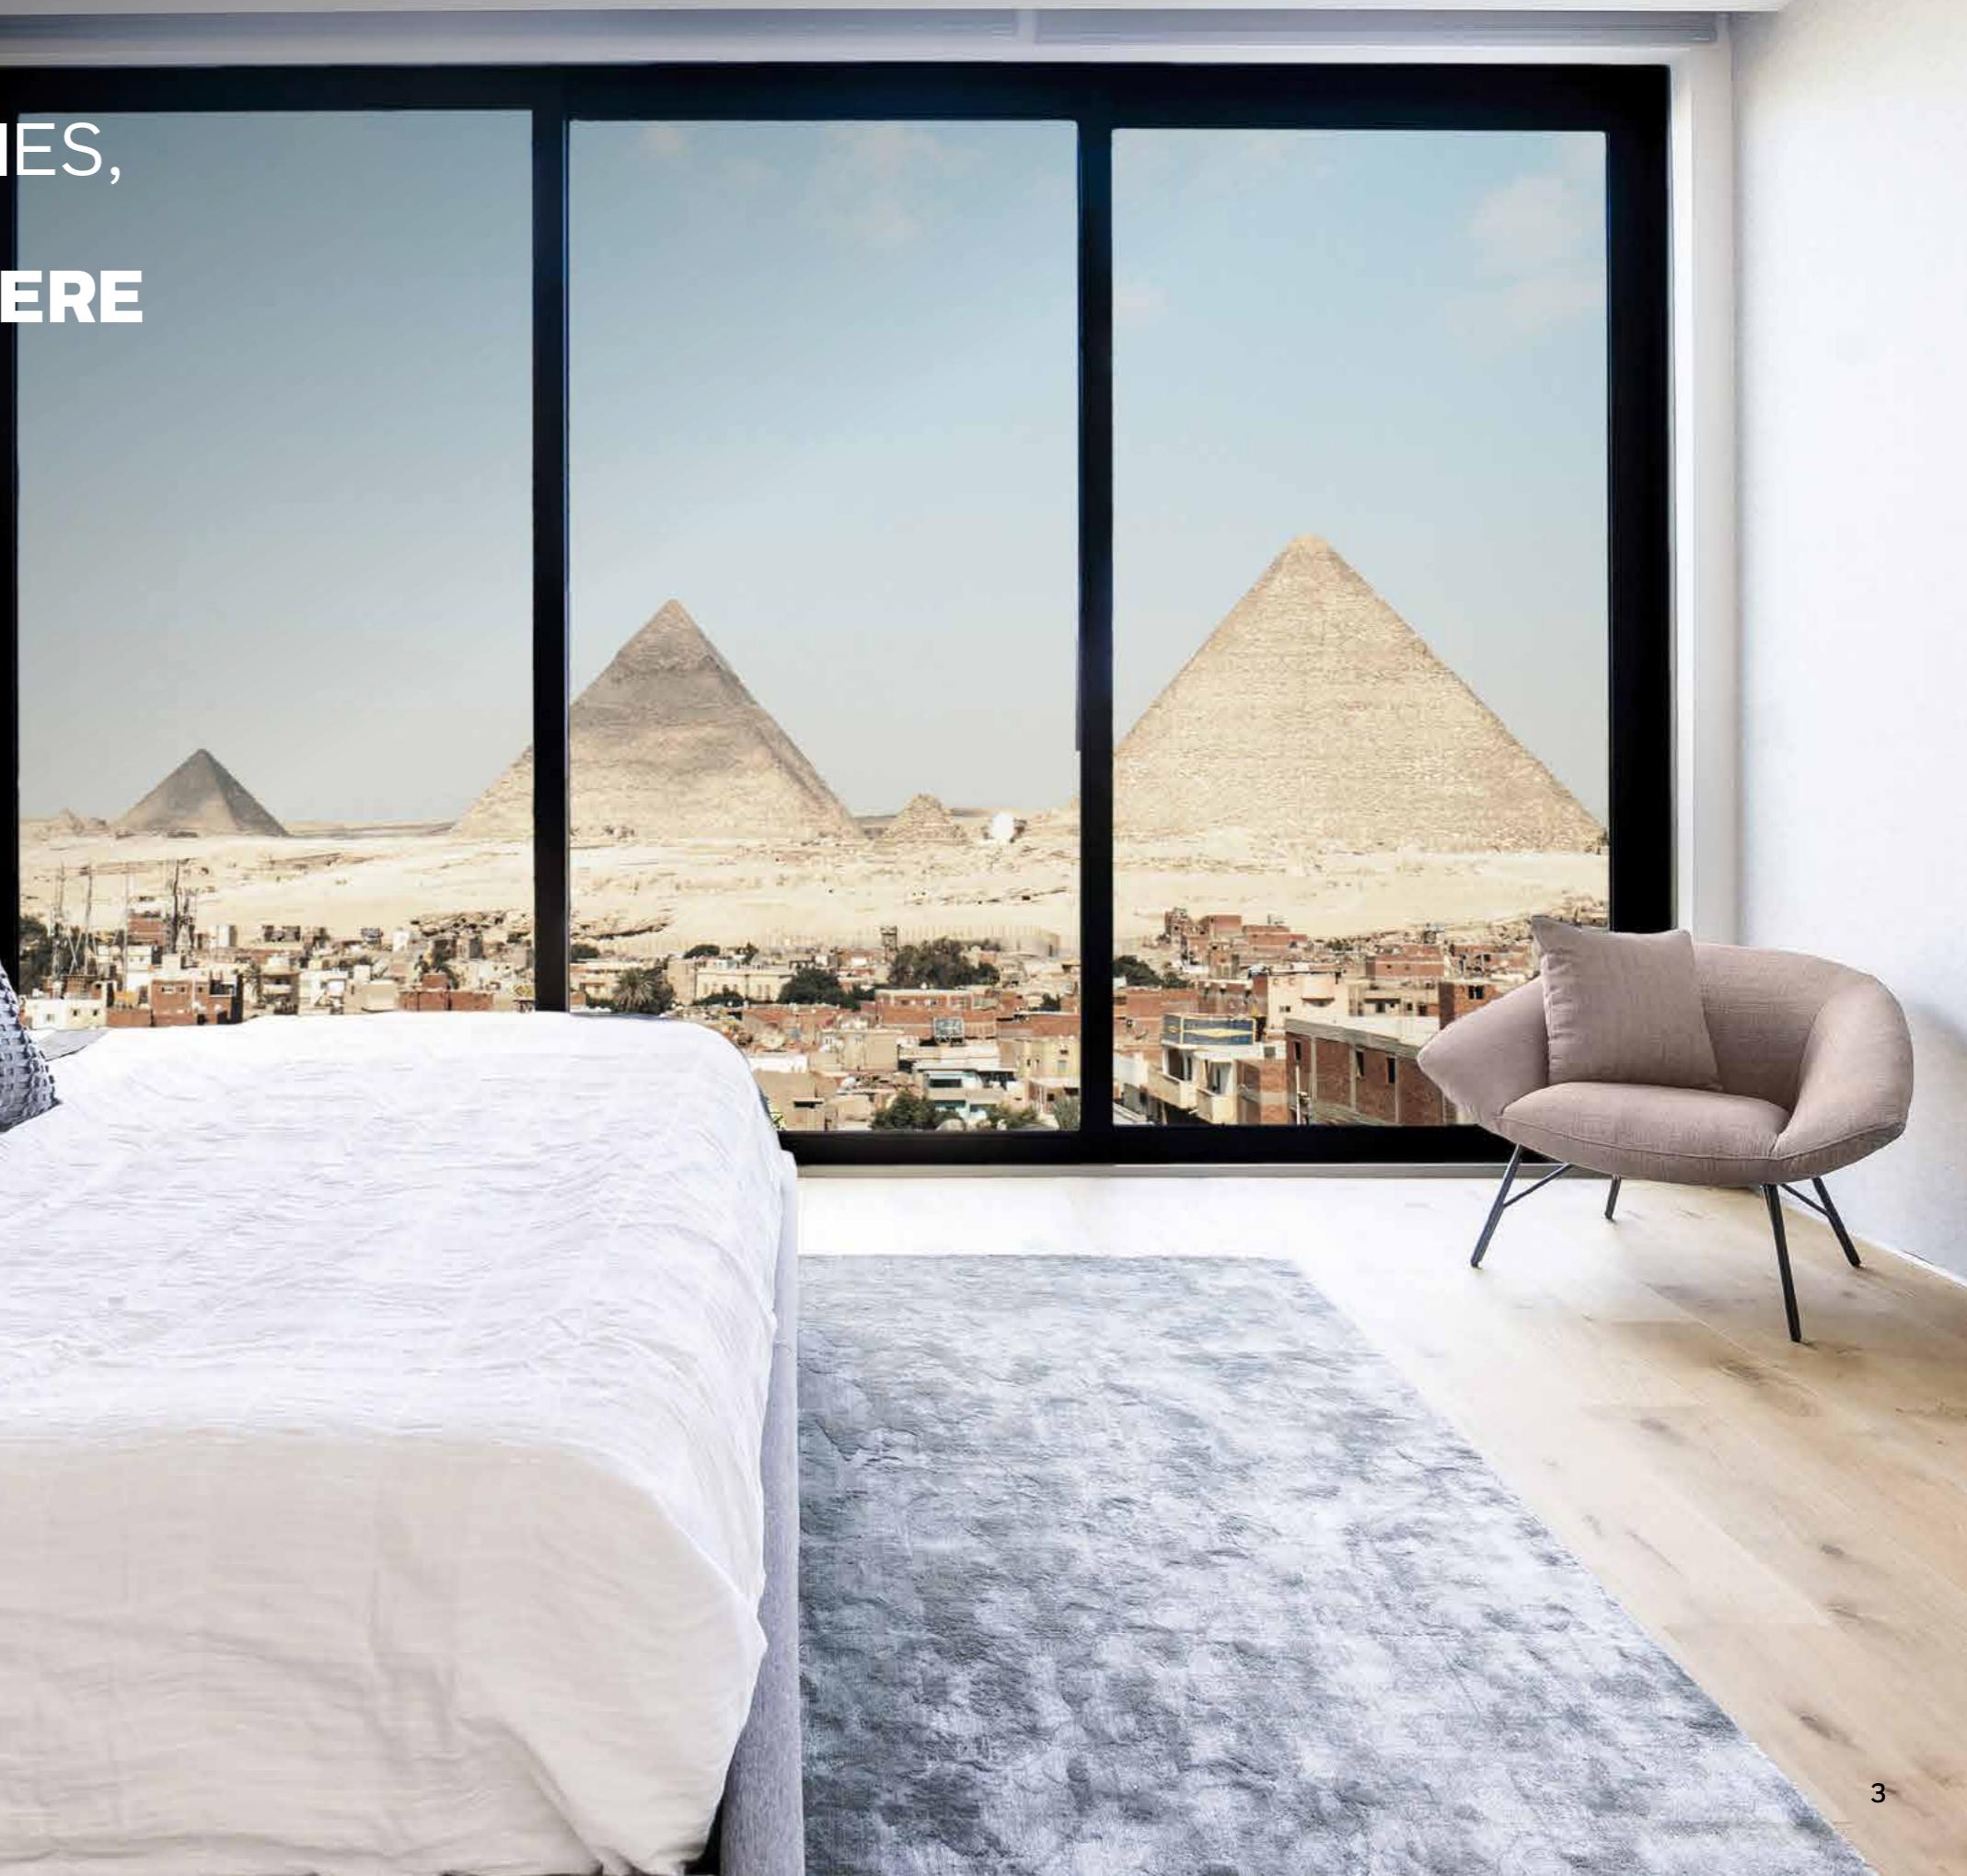

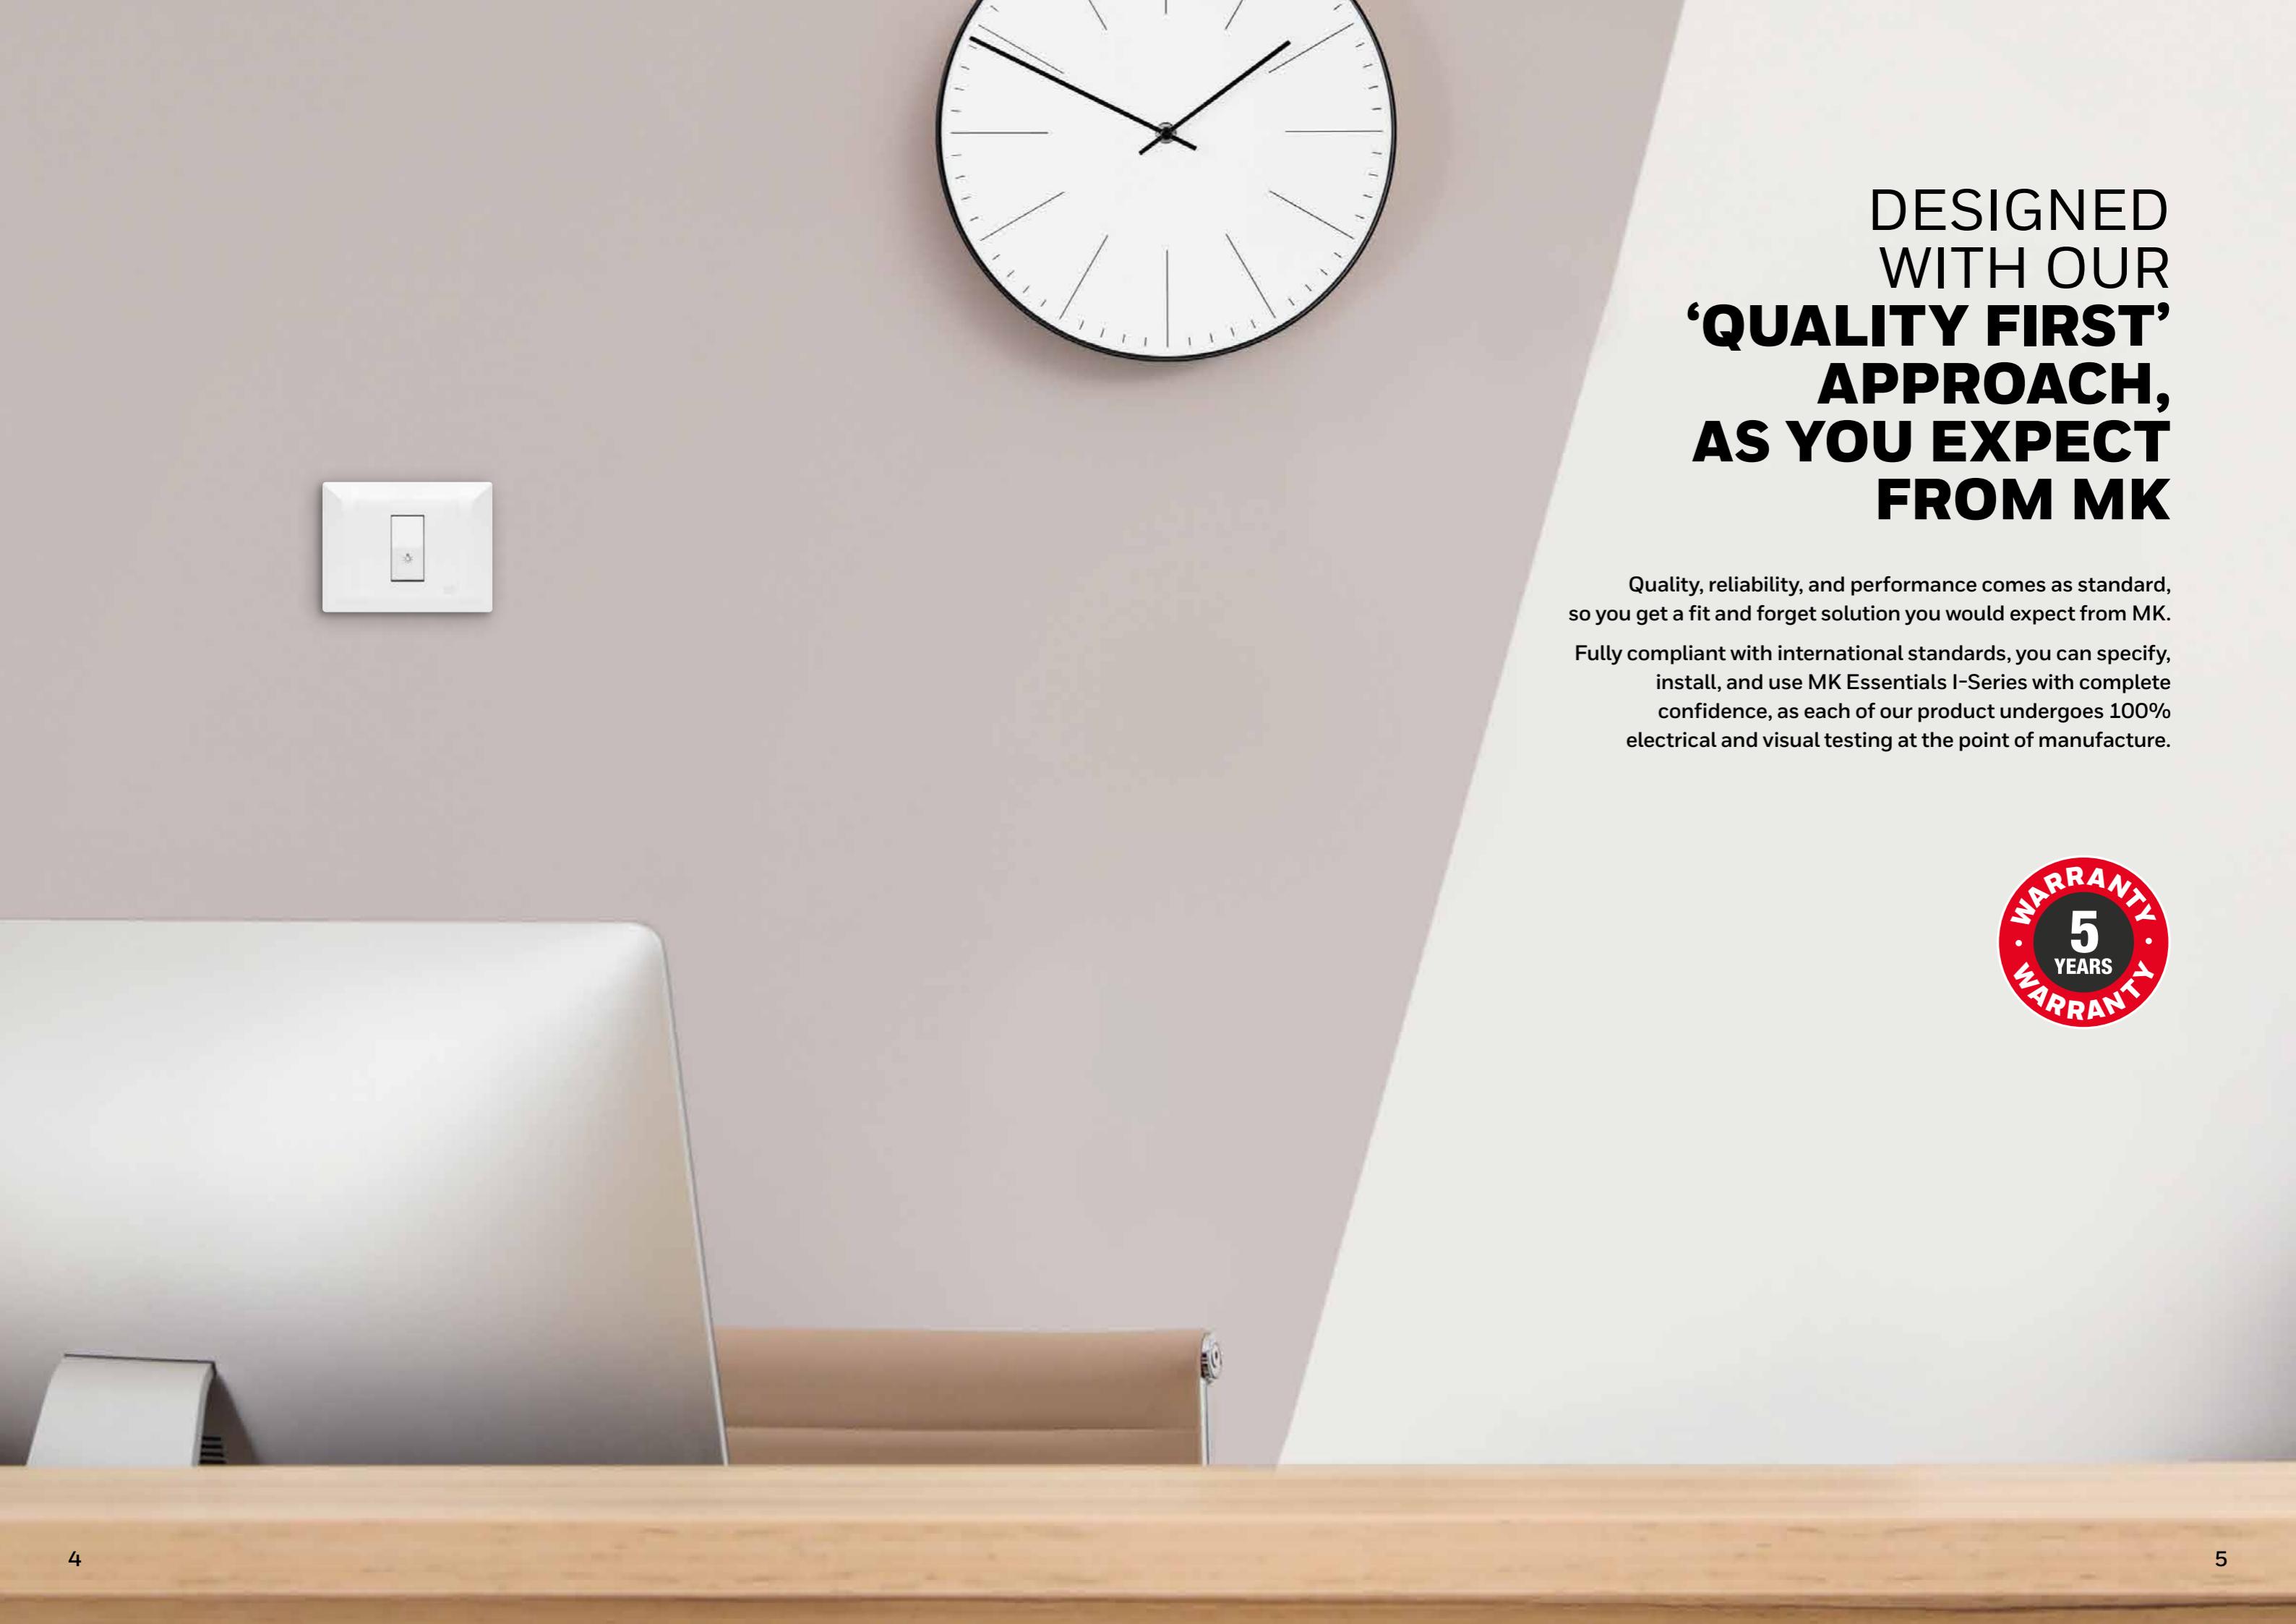

DESIGNED WITH OUR
'QUALITY FIRST' APPROACH, AS YOU EXPECT FROM MK

Quality, reliability, and performance comes as standard, so you get a fit and forget solution you would expect from MK.

Fully compliant with international standards, you can specify, install, and use MK Essentials I-Series with complete confidence, as each of our product undergoes 100% electrical and visual testing at the point of manufacture.

WARRANTY · 5 YEARS · WARRANTY

TRUSTED
ENGINEERING
FOR SMALLER
BUDGETS

MK Essentials I-Series includes a broad choice
of sockets in Italian and German standard, 16AX
