MK Aria highlights

Design flexibility

Switch up your style with cost-saving customization. Change the color and finish of the cover plate without the time and cost of replacing the entire switch.

Multi-ganging feature

Mix and match functions with multi-gang frames that empower you to customize products as needed.

USB Type A+C ports with power delivery feature

Automatic switching to the required power for optimal charging speed.

The true colors of elegance

With frameless, minimal geometry and an array of colors and finishes, including grey, black, and gold, MK Aria wiring devices blend in or stand out elegantly in any decor.
