Product Update

December 2021   Honeywell Security Americas

Honeywell Product Sales and Cyber Support Discontinuation – WIN-PAK Integrated Security Suite v 4.8 series.

Offering Manager: Mayur Kumar

In order to focus on providing the most innovative and latest technology products to our customers, it is sometimes necessary to discontinue products so focus can be dedicated to developing new, improved offerings.

This notice is to advise you that Honeywell will discontinue Sales and Cyber Support for all versions of WIN-PAK 4.8 series.

Key dates

For the affected products, the key dates are as follows:

- End of Sales: Jan 31, 2022
- End of Cyber Support: May 1st, 2022
- End of Technical Support: Jan 1st, 2025

Without cybersecurity updates, your and your customers' private information and the integrity of their systems and networks can be compromised. You may keep using the product(s) at your own risk, or you may upgrade to the latest products, which you can find in the table below.

Please contact your Honeywell Sales Representative for more information about replacement/ migration options and requirements.
