

# MAXPRO<sup>®</sup> VMS and NVR

Approved Microsoft<sup>®</sup> Windows Patches

---

## Technical Notes

---

# MICROSOFT® WINDOWS PATCHES TESTED WITH MAXPRO®NVR AND VMS

## Overview

The purpose of this document is to identify the patches that have been delivered by Microsoft® Windows and which have been tested against the current shipping versions of MAXPRO®NVR and MAXPRO®VMS with no adverse effects being observed. This document also displays the Update History on each OS supported.

If you have questions concerning the information in this document, please contact Honeywell Technical Support. See the back cover for contact information.

**Windows Patches Tested with MAXPRO®NVR till the Month of:** July, 2025

**Windows Patches Tested with MAXPRO®VMS till the Month of:** July, 2025

**This document contains:**

| Section                                                                                                                                                                                                                                                                                                                                                                                                                                                 | See...                                                                                                                  |
