# Changing Your PIN
Using the Supra One Mobile App

Your Supra key and other tools are inside the BrokerBay web and mobile apps during the transition to the new all-in-one Supra One platform
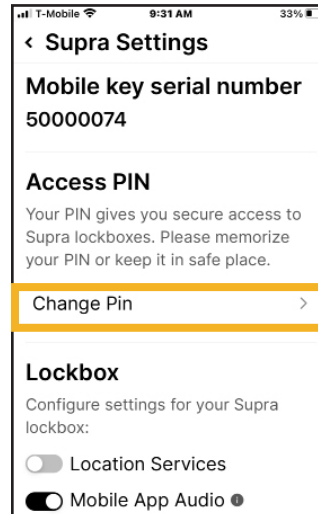

1. From the home screen, tap the icon with your initials in the upper right of the screen.
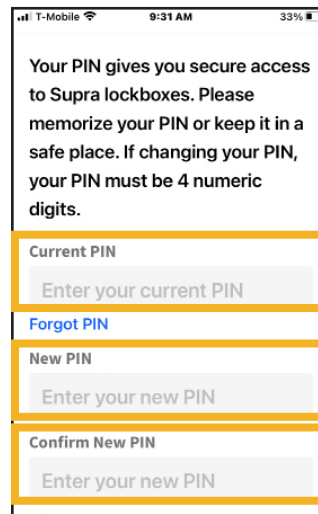

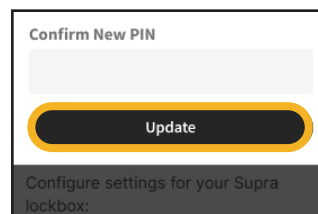

2. Tap **Supra Settings**.

3. Tap **Change PIN**.

4. Enter your current PIN then enter and confirm your new PIN.
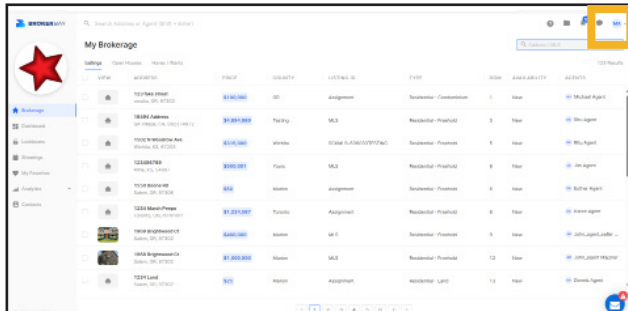

5. Tap **Update** and your new PIN is set.
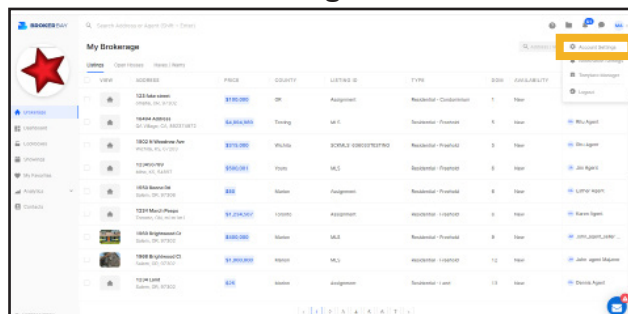

Changing Your PIN
Using the Supra One Web App

Your Supra key and other tools are inside the BrokerBay web and mobile apps during the transition to the new all-in-one Supra One platform
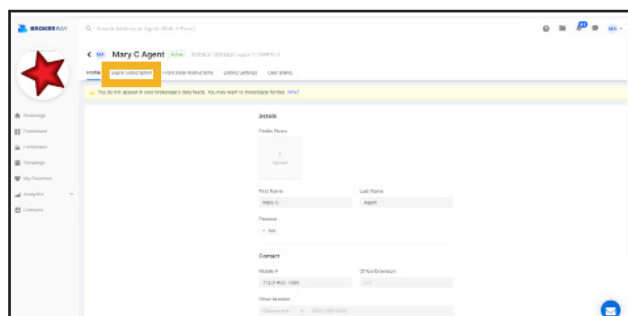

1. From the home screen, click the icon with your initials in the top right corner of the screen.

2. From the drop-down menu that appears, select **Account Settings**.

3. Click on the *Supra Subscription* tab near the top of the screen.

4. Under the *Change Your PIN* section in the middle of the page, enter your current PIN then enter your new PIN and confirm it**.**

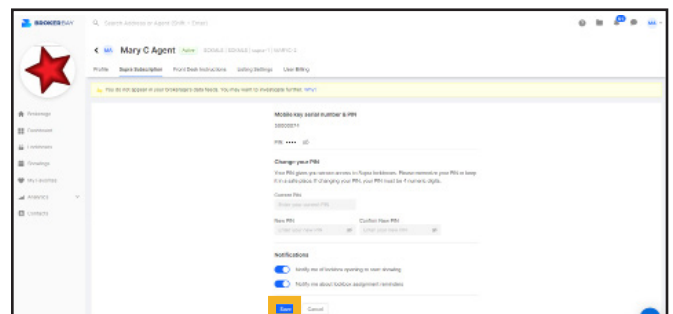

Note: You can also check your existing PIN here in case you forget it.

Note: If you see a yellow bar at the top of the screen, click on the link to investigate.

5. Click **Save**, then hit the refresh button. Your new PIN is all set.
