

# NEW PRODUCT RELEASE

Honeywell 35 Series NDAA Section 889  
Compliant cameras range additions

We've introduced several new models across 6 distinct form factors. These additions offer enhanced resolution, superior low-light performance, and built-in analytics to strengthen reporting capabilities and support compliance efforts.

**Honeywell**

## SPLIT PINHOLE CAMERAS

- 2MP & 5MP resolution
- Video analytics include: motion detection, smart motion, scene Change, intrusion, multi loitering, people counter, face detection, line crossing detection event type: video motion detection, alarm input, recording notification, tampering, audio detection
- Ideal for ATMs, cash registers and self-checkout stations, storage lockers

BASE: HC35WP5B

LENSES: HA35P2L28, HA35P5L37, HA35P5F12

## MICRO-DOME CAMERA

- 5MP resolution
- Available with or without HDMI port
- Advanced video analytics: motion detection, smart motion, scene change, intrusion, multi-loitering, people counter, face detection, line crossing detection
- Ideal for self-checkout kiosk monitoring, office space hallways, entrances and common areas

HC35W25R3-H

## BI-SPECTRUM THERMAL CAMERAS

- 5MP resolution
- Detail at a longer distance for earlier detection of threats
- Multiple optical and thermal lens options
- Advanced video analytics combined with thermal heat seeking signature detect living beings, overheating equipment, smoke, fire hot spots, and open flames.
- Ideal for preventive maintenance - monitor equipment for early signs of overheating or mechanical stress.

HC35TE5R3JT21

HC35TB5R1JT07

## FISHEYE CAMERAS

- 6MP & 12MP resolution
- Full color images with 360 degree panoramic views for wide area coverage
- Ideal for large areas such as airports, train stations and other public transportation
- Multiple dewarping modes and front end image correction
- Video analytics include heat map, missing object detect, and unattended object detect

HC35WF6R1  
HC35WFCR1

## DUAL-SENSOR DUAL-LIGHT COLOR CAMERA

- Wider 180 degree panoramic view in a single device
- 5MP resolution
- Includes a built-in mic and speaker
- Crisp full color image even in extremely low light conditions
- Ideal for larger areas such as parking lots, warehouses, large retail stores, stadiums
- Video analytics include heat map, missing object detect, and unattended object detect

HC35WMBAR1

## DUAL-LIGHT COLOR CAMERA

- 5MP resolution
- Features a larger aperture (F1.0) lens allowing more light into the camera lens
- IR, White Light, or Smart Mode
- Reduces light pollution
- Ideal for larger areas such as parking lots, or long corridors, especially at night or in low light conditions
- Video analytics include motion detection, smart motion, scene change, intrusion, multi-loitering, people counter, face detection, line crossing detection

HC35CB5R3

HC35CE5R3
