Date: **May 28th, 2025**
Subject: **NetBox Version 5.6 Support Ending November 2025**

NetBox releases are supported for three years after the initial release. **NetBox 5.6 was first released in December 2022, and support will end on November 30th, 2025.** It is highly recommended to upgrade to the newest update or product release at the earliest opportunity for the latest security enhancements, performance, and defect fixes.

For more information, please see the latest [End User License Agreement](#).

Thank you for your continued support of LenelS2 security management solutions. Should you have any questions, please contact your LenelS2 Regional Sales Manager.

Sincerely,

LenelS2 Product Management Team
